

Temporary Suspension of ISO9001 Certification

September 20, 2018

We sincerely apologize for your concern and inconvenience caused by our press release regarding the cases of impropriety related to the quality control on August 31, 2018 (*1).

(*1)http://www.fujikura.co.jp/eng/newsrelease/management/___icsFiles/afieldfile/2018/08/31/newsrelease20180831.pdf

We received a notice of temporary suspension of ISO9001 certification from SGS Japan Inc.

We will continue to strive and ensure that our corrective measures be sufficient so that the temporary suspension of certification will be lifted in a timely manner.
