

Temporary Suspension of ISO9001 Certification

November 5, 2018

We sincerely apologize for the concern and inconvenience we have caused to customers and many others concerning the impropriety related to the quality control at Fujikura Ltd. and its group companies.

In this regard, one of our group companies NISHI NIPPON ELECTRIC WIRE & CABLE CO.,LTD. (NND) received a notice of temporary suspension of ISO9001 certification from Lloyd's Register Quality Assurance Ltd.(LRQA).

We will continue to strive and ensure that our corrective measures be sufficient so that the temporary suspension of certification will be lifted in a timely manner.
