As mentioned in the “Announcement on the Investigation Relating to an Improper Real Estate Acquisition at a U.S. Subsidiary,” released on May 26, 2023, and “Notice Regarding the Progress of the Investigation Relating to an Improper Real Estate Acquisition and Similar Incidents at a U.S. Subsidiary,” released on June 29, 2023, in Fujikura’s consolidated subsidiary in the U.S. (the U.S. subsidiary), it is revealed the suspected private misappropriation of real estate by the Fujikura’s Director (the director), who also served as the Chief Executive Officer of the U.S. subsidiary and responsible for the business of a total of 29 of Fujikura's overseas subsidiaries (including subsidiaries in the U.S., the United Kingdom, Canada, Mexico and Germany (relating to the telecommunication and power business)), by the whistle-blowing on March 3, 2023 (the Incident). We appointed outside law firms in Japan and the U.S. that do not have an interest in Fujikura, and started the investigation (the Investigation) on March 14, 2023.

However, in the progress of the Investigation, it is uncovered the possibility of occurrences of similar incidents in addition to the Incident. To fully understand the incident and similar incidents, the investigation has been continued until today.

Due to the fact that the consolidated financial statements and the financial statements have not been finalized and the auditing procedures by the accounting auditor have not been completed, based on the results of the investigation of the Incident and similar incidents, Fujikura will not be able to submit the 175th (Year Ended March 31, 2023) securities report by the submission deadline under Article 24, Paragraph 1 of the Financial Instruments and Exchange Act.

Under these circumstances, Fujikura has decided to apply to the Kanto Local Finance Bureau for the approval of the deadline extension of the said security report as prescribed in Article 15-2, Paragraph 1 of the Cabinet Office Ordinance on Disclosure of Corporate Information.

For more information on the status of the Investigation of the Incident and summary of similar incidents, please refer to the "[Notice Regarding the Progress of the Investigation Relating to an Improper Real Estate Acquisition and Similar Incidents at a U.S. Subsidiary](#)," released on June 29, 2023.
