Notice Regarding the Change of Scheduled Date for Announcement of Financial Results for the First Quarter of the Fiscal Year Ending March 31, 2024

Fujikura has decided to change the date of the financial results announcement for the first quarter of the fiscal year ending March 31, 2024, which was scheduled on August 8, 2023, as follows.

1. Reason for change of scheduled date of announcement of financial results

As announced in the "[Notice Regarding Submission of an Application for the Approval of Deadline Extension for the 175th \(Year Ended March 31, 2023\) Securities Report](#)" and the "[Notice Regarding the Approval of Deadline Extension for Submission of the 175th \(Year Ended March 31, 2023\) Securities Report](#)," released on June 30, 2023, Fujikura submitted an application for the approval of deadline extension for submission of the 175th (Year Ended March 31, 2023) securities report to the Kanto Local Finance Bureau on June 30, 2023, and we have received the approval on the same date.

Currently, audit procedures by the accounting auditor are underway to submit the relevant annual securities report by July 31, 2023, the deadline for submission after the extension.

For the first quarter of the fiscal year ending March 31, 2024, since the financial figures for the fiscal year ended March 31, 2023, have yet to be finalized, and the quarterly review will be conducted after these figures are completed, we have discussed the schedule of the financial results announcement with the accounting auditor and decided to change the date of the announcement from August 8, the initially scheduled date.

2. The date of the financial results announcement after the change

The date of announcement of financial results after the change is scheduled for Thursday, August 10, 2023.

We deeply apologize to our shareholders, investors and all other concerned parties for any concern and inconvenience this may cause.
